Sell Your Go Blue Sport Arm Bands

Turn every sport arm band into a step towards a world without type 1 diabetes (T1D).

Each kit includes 30 arm bands.

How it works:

- Sell each arm band for $7.50.
- Share the arm bands with your community members and encourage them to wear it in support of T1D research.
- Fundraise by collecting the $7.50 donation for each arm band sold.

Need more supplies? Contact your local Community Fundraising Team member to order more resources. Arm bands cost $110 for an additional 30 arm bands.
